

2026 NORTH TEXAS INFRAGARD ANNUAL CONFERENCE

SPONSOR PROSPECTUS

Securing America's Crossroads

Hosted by the DFW Airport Department of Public Safety

August 13, 2026 | 8:15 AM – 3:30 PM

DFW Airport Department of Public Safety

Partner with North Texas InfraGard to support one of the region's premier public-private partnership events, bringing together leaders from cybersecurity, law enforcement, aviation, government, emergency management, and critical infrastructure.

Why Sponsor?

The North Texas InfraGard Annual Conference provides sponsors with meaningful access to decision-makers responsible for protecting critical infrastructure across North Texas. Hosted by the DFW Airport Department of Public Safety, this event fosters collaboration, education, and information sharing between the FBI, public sector, and private industry.

Who You'll Meet

- Cybersecurity Executives
- Federal Agencies
- Law Enforcement
- Airport Leadership
- Critical Infrastructure Owners & Operators
- Emergency Management
- Technology Providers
- Private Sector Leaders

Featured Experiences

Airport CISO: Executive insights into securing one of the world's busiest airports.

Chiefs of Police Panel: FIFA World Cup 2026 preparedness, lessons learned, and operational successes.

Counter-UAS: Emerging drone threats and a potential live demonstration*.

Airport Perimeter Security: Human and natural threats, AI, surveillance, and resilience.

Insider Threats in Aviation: Protecting the aviation ecosystem from within.

Interactive Experiences: Emergency response vehicles and specialized public safety equipment on display*.

Important Sponsorship Information

Space is Limited

To ensure a high-quality experience for both attendees and exhibitors, the number of sponsorship opportunities and exhibitor booths is limited. Exclusive sponsorships are available on a first-come, first-served basis.

Exhibitor Booths & Electrical Power

A limited number of exhibitor booths include access to electrical power. Powered booths will be assigned on a first-come, first-served basis.

If your exhibit requires electrical power, please notify us as soon as possible during registration or by contacting the conference team. Power availability cannot be guaranteed once all powered booths have been reserved.

Early commitment provides the best opportunity to secure your preferred sponsorship level, booth location, and electrical access.

Why InfraGard?

InfraGard is a partnership between the FBI and the private sector dedicated to protecting the nation's critical infrastructure through trusted relationships, education, and information sharing.

Become a Sponsor Today

Reserve your sponsorship today and position your organization alongside leaders in cybersecurity, aviation, law enforcement, and critical infrastructure protection.
