

Kevin D. Mellott, *President of ERASE Enterprises*

Mr. Mellott has over 42 years of experience in the field of public safety. Prior to founding ERASE Enterprises, Mr. Mellott was an Assistant Chief in the Department of Public Safety for the City of Pittsburgh, Pennsylvania. He supervised several special investigation units including the Bomb & Arson Strike Team which was a multi-agency team of federal, state, and local investigators.

Mr. Mellott is internationally recognized as an expert in public safety and special investigations. He has provided training for thousands in industry and government as well as having been selected as the lead instructor for numerous special projects for the United States Military and Law Enforcement Agencies. Outside the United States, Mr. Mellott has conducted specialized training, investigations and security programs throughout the world. His experience includes operations in the Kingdom of Saudi Arabia, UAE, Czech Republic, Germany, France, Spain, Italy, Greece, Hong Kong (SAR), South Africa, Egypt, Botswana, Zambia, Zimbabwe, Mexico, Costa Rica, Panama, Argentina, and many other locations. He has worked in many special program areas for the US government including the NASA Space Shuttle Program, the USAF B-2 Stealth Bomber program, and as a Special Operations Advisor to the Military District of Washington DC. Mr. Mellott is a published author and has served as a technical consultant for the Smithsonian Magazine on issues of public safety. Mr. Mellott has conducted hundreds of investigations on issues ranging from incidents of terrorism to cybersecurity attacks. He has provided economic espionage countermeasure services for both government and private sector organizations and routinely gives briefings to key executives on the topics of Terrorism, CyberSecurity, Personal Security, Economic Espionage, and International Travel Security.
