Parking Instructions

- This pass is valid only for registered attendees of the 2026 North Texas InfraGard Annual Conference.
- Display this pass prominently while going through gate security.
- Park at left parking lot after going through gate.
- Follow all directions from DFW Airport Department of Public Safety personnel and event staff.
- This pass is valid for August 13, 2026 only.

Arriving at DPS Headquarters

- You will first proceed through the security gate.
- The DFW Airport DPS Headquarters building will be on your right after passing through the gate.
- The conference parking lot is located to your left.
- Event staff and signage will direct you to the designated parking area.

Building Access

- Once you have parked, please enter the building and check in at the security desk.
- A valid government-issued photo ID is required for entry into the facility.
- Please have your ID readily available to help expedite the check-in process.

Important Security Information

- Firearms and other weapons are not permitted inside the DFW Airport DPS Headquarters.
- If you are carrying a firearm, please secure it in your vehicle before entering the building.
- We appreciate your cooperation with all DFW Airport Department of Public Safety security procedures.
