

## Certification of Vaccination

The purpose of this form is to take steps to prevent the spread of COVID-19 and to protect the health and safety of all Federal employees, onsite contractor employees, visitors to Federal facilities, and other individuals interacting with the Federal workforce. If you fail to submit this signed attestation, or if you are unable to provide proof of any required negative COVID-19 test, you may be denied entry to a Federal facility.

## My COVID-19 Vaccination Status

If you are not vaccinated against COVID-19 due to medical or religious reasons, please check either "I am not fully vaccinated against COVID-19" or "I decline to respond."

By checking the box below, I declare that the following statement is true:

- I am fully vaccinated against COVID-19. The Centers for Disease Control and Prevention (CDC) considers an individual fully vaccinated if they are: 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine. If you don't meet these requirements, regardless of your age, you are **not** fully vaccinated.
- I am not fully vaccinated against COVID-19.
- I decline to respond.

## Federal COVID-19 Workplace Safety Protocols

**I understand that while in a Federal facility I must follow the COVID-19 workplace safety protocols required by the Federal agency I am visiting or for which I am performing contract work onsite. This includes wearing a mask when required in the facility, including when the COVID-19 Community Level in the county where the Federal facility is located is HIGH as defined by the CDC.**

**If I am not fully vaccinated or decline to provide my vaccination status, I understand the Federal agency I am visiting or for which I am performing contract work onsite may require that I be able to provide proof of a negative COVID-19 test I received within the previous 3 days, including when the COVID-19 Community Level in the county where the Federal facility is located is MEDIUM or HIGH as defined by the CDC.**

I sign this document under penalty of perjury that the above is true and correct, and that I am the person named below. I understand that a knowing and willful false statement on this form can be punished by fine or imprisonment or both (18 U.S.C. 1001). Checking "I decline to respond" does not constitute a false statement. I understand that if I am a Federal employee or contractor making a false statement on this form could result in additional administrative action, including an adverse personnel action up to and including removal from my position or removal from a contract.
